

INNOVATE. COLLABORATE. EDUCATE.

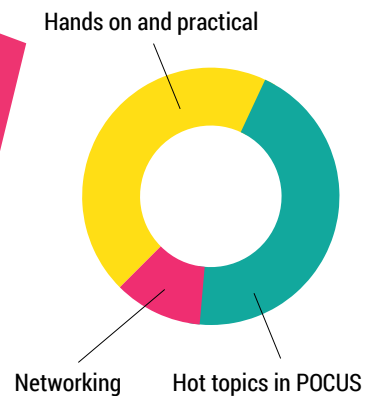

OCTOBER 12-15, 2017 | MONTREAL, CANADA | WCUME2017.ORG

In October 2017, the World Congress of Ultrasound in Medical Education (WCUME) will be making its Canadian debut in Montreal, Quebec. The WCUME consistently draws international leaders in ultrasound education, providing an excellent opportunity to hone your sonographic skills, learn about innovative research, and network with residents and physicians from a multitude of specialties.

WHY ATTEND WCUME2017?

Your university is building its ultrasound curriculum? You want hands-on practice? You'd like to hear all about hot topics in point-of-care ultrasound? Look no further! WCUME2017 is for you.

- + **If you are a PHYSICIAN**
you will especially appreciate the practical and hands-on program features taught by international and national leaders.
- + **If you are a TEACHER**
you will especially appreciate collaborating with peers and exploring innovative teaching tools.
- + **If you are a RESIDENT or STUDENT**
you will especially appreciate presenting your latest and greatest research at oral and poster sessions, as well as all the learning and networking opportunities.

DISCOVER MONTRÉAL

vive 375

For the first time, the annual World Congress comes to Canada!

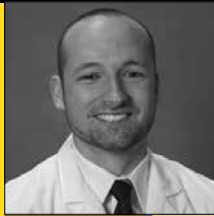

The year 2017 marks the 375th anniversary of Montreal, Canada's second largest city, and WCUME17 will benefit from the vibrancy of planned events throughout the city. Montreal has the largest population of French speakers outside of Paris and is often described as "a little bit of Paris in North America".

HANDS-ON WORKSHOPS

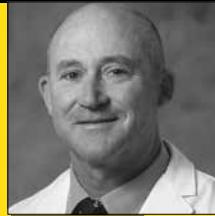

Lung

COMPETE AT THE WORLD CUP OF ULTRASOUND

Each year, the WCUME hosts the Ultrasound World Cup, a friendly competition involving live scanning, simulation, and Jeopardy. Up to 10 different 3-person medical student teams from all over the world will be paired up with a world leader in ultrasound to compete in a sono-competition like you've never seen before. **All are welcome.**
